H14 is a boat building brand that is focusing at best design for sailing coaches. Together with Yamaha engines - H14 performance rib becomes most valuable and most wanted coach boat on a market. In 2018 we are launching a fleet of 13 motorboats of different sizes dedicated to charter. We are partners in 2018 Sailing Worlds Aarhus.

The main goal for us is to deliver clean, fresh, equipped and proven motorboats to all sailing coaches. At the same time we would like to keep a reasonable and stable price for the charter. Our policy is to promote earlier bookings with discount.
